

### REMARKS

In response to the Notice of Non-Compliant Amendment dated April 8, 2010, Applicants herewith provide a complete listing of all claims. The designation of Claims 1 to 24 as being cancelled, which was inadvertently omitted from the Preliminary Amendment dated April 5, 2010, has been inserted.

Attention is respectfully directed to the attached Memorandum from Peggy Focarino, Deputy Commissioner for Patents to Patent Examiner Corps, dated February 4, 2010. If in the future some minor deficiencies are identified in an Amendment, such deficiencies can often be more quickly resolved without a Notice of Non-Compliant Amendment, by simply contacting Applicants to gain authorization to correct such deficiencies.

Applicants' undersigned attorney may be reached in our Costa Mesa, CA office at (714) 540-8700. All correspondence should be directed to our below listed address.

Respectfully submitted,

/Michael J. Guzniczak/
